The best fit for your lifestyle: from the clubhouse to the beach house - and everything in between

Imperial is all about the finer things in life. The back nine at dusk. Cool breeze on a warm night. Relaxing with friends at the beach. Backyard oyster roasts in the fall. Saturday tailgating done right.

We believe life is a series of moments and you better be ready for them. Our mission is to prepare you for endless opportunity by providing style and comfort.

Expert craftsmanship is something we consider a tradition at Imperial. We pay close attention to every detail and every stitch on everything we make. Classic with a twist is what we aim for, and we've been doing it since 1916.

It simply doesn't get any better than *The Imperial Life*. Go ahead ... tee it up.

Outdoors

Authentically designed headwear for the outdoor enthusiast

After the nine-to-five grind, nothing beats getting away from it all. Whether it is just an evening in the back yard with friends or an extended getaway in the rural countryside, Mother Nature is calling.

From the mountain ridges of Alaska to the gulf waters off the coast of Florida, Imperial headwear is the choice of sportsmen. Quality materials and expert craftsmanship go into every hat made by Imperial.

Imperial Headwear serves a purpose... and looks good while doing it.

“There is a way that nature speaks, that land speaks. Most of the time we are simply not patient enough, quiet enough, to pay attention to the story.”

—Linda Hogan
